Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. You may also delete your Cookies at any time by using your browser settings to delete them. Please keep in mind that this may break some of the functionality of the website, therefore we advise not to turn off cookies.

More Information | Who is responsible for the data you provide?

Hopefully that has clarified things for you and as was previously mentioned if there is something that you aren't sure whether you need or not it's usually safer to leave cookies enabled in case it does interact with one of the features you use on our site. However if you are still looking for more information, you can contact us on: contactstudio@leikir.io .
